2022-2023

- Plastic/Paper Cups (please no styrofoam cups. I don't know why but styrofoam cups tip over and spill in our classroom all the time. There is no logical explanation)
- Paper Towels
- Watercolor Paper
- Colored card stock (I love the pkgs. from Hobby Lobby that are varying shades of the same color. We make a class workbook each month and this cardstock is the front and back of our workbooks every month so we go through a lot of it.)

Notice: The items on this list will be used during the regular school day. They may be brought from home on a voluntary basis, otherwise, they will be furnished by the school.
